

Free Monthly Newsletter

If you haven't yet signed up for the FREE monthly newsletter, here is where you may do so. You can cancel at any time. There is no commitment. You don't even have to open the emails if you like. However, if you do so, you'll find useful, actionable information NOT AVAILABLE on the regular blog posts. It includes a monthly market report, highlights of the best posts on The White Coat Investor, the newest podcasts, the best of the WCI Forum threads, links to the best physician-related finance and investing stuff on the internet, and a "Monthly Tip," which is essentially an entire blog post non-subscribers don't get to see. All you have to do is enter your email address below.

In addition, signing up for this list will also allow you to receive each blog post automatically by email. If you prefer just the monthly newsletter, you can change your preferences (or even unsubscribe) at any time by clicking the link at the bottom of each email.

But wait! There's more. You will also get a 12 email course called The White Coat Investor's Financial Bootcamp, which, if you read and do the assigned homework, will take you from zero to hero over 12 weeks.

Don't worry, I won't spam you or sell your email address.

Join over 13,000 of your colleagues who have signed up so far! If you're having trouble using the form below, use this link to sign-up.
