Additional Compensation

Many of the companies that provide your advisor access to their products and programs provide your advisor with opportunities to receive additional compensation in the form of marketing and business reimbursements, compensation for client referrals, business development support, payment for travel-related costs and expenses for attending business meetings and conferences, and various forms of gifts and entertainment. Information regarding the compensation paid to your advisor in relation to the products or programs you purchase or use, and their associated conflicts, is generally disclosed in the respective product prospectuses, statements of additional information, product offering documents, client agreements, advisory program brochures, and Commonwealth's Form ADV Part 2A brochure.

Commonwealth offers your advisor one or more forms of financial benefits based on your advisor's gross revenue production and total assets under management held at Commonwealth or in Commonwealth's own PPS Program accounts, as well as financial assistance for transitioning from another firm to Commonwealth. Your advisor has the opportunity to receive forgivable or unforgivable loans, enhanced payouts, and discounts, waivers, or credits on transaction, platform, and account fees; technology fees; research package fees, financial planning software fees; administrative fees; brokerage account fees; account transfer fees; and the costs of attending conferences and events. Your advisor also has the opportunity to receive awards and attend certain paid Commonwealth "top producer" trips and entertainment based upon your advisor's total gross revenue production with Commonwealth. These enhanced payouts, discounts, trips, entertainment, and other forms of compensation that your advisor has the opportunity to receive from Commonwealth provide a financial incentive for your advisor to select Commonwealth as broker/dealer or investment adviser for your accounts or to use certain Commonwealth PPS programs over other programs available through Commonwealth or at other firms that do not provide additional compensation.
